

# Help Design the Lilwat Nation Community Grant Program!

The COVID-19 Spending Plan survey many of you completed in August showed great support for a Lilwat Nation Community Grant Program. This exciting new program would provide members with the opportunity to apply for funding to host events to build community and connection. Ideas for events range from family outings to larger-scale community events and everything in between.

## Lilwat Nation needs your help in creating this program

Help us set the criteria to make this program fair and wide-reaching. By filling out the brief online survey below, you'll be helping determine what should be funded and how the money should be awarded to successful applicants. You'll also be asked about other issues that will make this program a success. Chiefs and Council will be presented the program package for approval by December 14th, 2021.
